Louisville, KY 40242
PH: 502/210-5400
FAX: 502/210-5499

ROADSHOW for the week beginning May 10, 2010

Inclement weather or other unforeseen circumstances may occur, so the information below is strictly of an advisory nature and is subject to change with no notice.

Pothole patching, sweeping, drain & ditch cleaning, pavement marking, and maintenance crews may work on major interstates in the Louisville Metro area only during non-peak daytime hours and at night. Motorists should watch for roadside maintenance and pavement marking crews on interstates and highways throughout the rest of the district on a daily basis.

Jefferson County:

Interstate 265: Lane closures and delays possible between the Seatonville Road overpass and Taylorsville Road (mile points 18.8 and 23.3). The roadway may be reduced to one lane **weeknights Monday – Thursday from 7:00 p.m. until 6:00 a.m. the following morning. On weekends, lane closures are possible from 7:00 p.m. on Friday until 6:00 a.m. on Monday.** The speed limit in the work zone will be reduced to 55 MPH.

Interstate 64: Construction delays possible between I-265 and the Jefferson/Shelby County line (mile points 18.8 and 23.9) due to roadway widening. The speed limit is reduced to **55 MPH** in the construction zone and this is a **double fine work zone**. Construction is scheduled for completion in the fall of 2010. As part of this project, **Clark Station Road is closed at the I-64 overpass. The road is closed until November for removal and replacement of the bridge. Motorists should follow the signed detour via US 60 to Conner Station Road (in Shelby County) to KY 148.**

Interstate 264/Interstate 64 interchange: Shoulder closures and delays possible at the ramp to westbound I-64 approaching the Sherman Minton Bridge (mile point 0.1) due to ramp replacement. **Entrance ramp from Bank Street to westbound I-264 is at a STOP condition, no longer a merge condition.** Intermittent lane closures possible on Northwestern Parkway underneath I-264.

US 31 (Clark Memorial Bridge): Bridge will be reduced to one lane in each direction to allow for repairs and painting.

US 31W (Dixie Highway): Roadway will be reduced to one lane in each direction at the bridge over the Salt River (mile point 0.03) due to bridge repairs. The travel lanes are 11 feet in width. The speed limit is reduced to 45 MPH in the work zone.

US 60A (Eastern Parkway): Roadway is **closed** between Hahn Street and the entrance to the J. B. Speed School of Engineering (mile point 3.8 to 3.7). This closure will allow for extensive repairs to the bridge over the CSX Railroad. Motorists should follow the signed detour via Crittenden Drive, Central Avenue and Third Street (KY 1020).

KY 1447 (Westport Road): Lane closures and delays possible between Hubbards Lane and I-264 (mile points 0.9 and 1.9) due to roadway widening. Speed limit on Westport Road has been **reduced to 25 MPH** in the construction zone.

KY 1703 (Newburg Road): Roadway is reduced to one lane in each direction at Produce Lane (mile point 0.99) due to bridge repairs.

KY 1819 (Ruckreigel Parkway): Lane closures and delays possible between Taylorsville Road and Blankenbaker Parkway (mile points 9.3 and 9.9) due to roadway resurfacing. Lane closures possible weeknights from 7:00 p.m. until 6:00 a.m. the following morning.

Bullitt County:

KY 1494 (Beech Grove Road): Roadway is **closed** at the bridge over Long Lick Creek (mile point 5.5) due to bridge replacement. Motorists should detour the area via KY 61.

Franklin County:

US 60 (Capital Avenue Bridge): Lane closures and delays possible on the bridge (mile point 8.4) due to bridge repairs and painting. One lane of traffic in each direction will be maintained.

US 421 (Leestown Road): Construction delays are possible between Chenault Road and US 60 (mile points 1.5 and 3.0) due to roadway widening. Motorists should watch for construction vehicles in the area. Construction is scheduled for completion in the fall of 2010.

KY 420 (High Street): Lane closures and delays possible at the intersection with East Main Street due to signal work. Crews will be working in the evening hours.

Henry County:

KY 22: Lane closures and delays possible at the Kentucky River Bridge near the Owen County line (mile point 22.4) due to construction of a new bridge. Lane closures and delays are also possible on KY 355 in Owen County at mile point 6.6.

Oldham County:

KY 22: Lane closures and delays possible between mile points 1 and 2 due to pothole patching.

KY 146: Lane closures and delays possible between mile points 7 and 8 due to pothole patching.

KY 524: Shoulder closures and delays possible between mile point 6 and 7 due to ditch cleaning.

Shelby County:

Interstate 64: Construction delays possible between the Jefferson/Shelby County line and the Simpsonville exit (mile points 23.2 to 28.1) due to roadway widening. The speed limit is reduced to **55 MPH** in the construction zone. Construction is scheduled for completion in the summer of 2011.

Shelbyville Bypass construction: Construction delays are possible at Harrington Mill and KY 53 due to bypass work. Temporary diversions have been constructed at these roadways.

Spencer County:

KY 1060 (Plum Creek Road): Lane closures and delays possible between Plum Creek Bridge and KY 1319 (mile points 1.65 and 5.16) due to roadway milling and resurfacing. Lane closures possible weekdays from 7:00 a.m. until 6:00 p.m.

KY 1319 (Dale Lane): Lane closures and delays possible between the Bullitt/Spencer County line and Spinpointe Road (mile points 0.0 and 2.1) due to roadway milling and resurfacing. Lane closures possible weekdays from 7:00 a.m. until 6:00 p.m.

Trimble County:

Routine maintenance
